- Graeme West, General Manager,
Cook Islands Tourism Corporation.

"Kia Orana! Our Uplift tour to the Cook Islands has been the most memorable trip in our retirement years! From pickup to return to our front door the tour was truly magical. The entire package was filled with fun, food and such good humor from the Uplift staff and gentle Island people. It was such a wonderful and fulfilling cultural experience, we didn't want to come home. Thank you Claire."

- John and Diana Edmundson,
